

# Stamford Insurance Building Warranty Builder or Developer Registration Form

This is an application to become a Stamford Insurance Approved Builder or Developer. Once approved you will be able to arrange 10-year warranties on your residential projects as they arise and pass these on to your clients at completion.

Please return the completed form by email to [info@stamfordinsurance.co.nz](mailto:info@stamfordinsurance.co.nz).

## Technical Audit

Once we have approved your application in principle, we will usually then arrange a Technical Assessment to review your Company's operations, project type/size, staff experience and qualifications, and your quality assurance procedures, both at head office and at a typical site. This incurs a one-off fee of \$1,850.00 plus GST. Once paid, we will instruct one of our assessors to contact you to arrange a mutually convenient appointment with you and/or your main contractor.

## About Stamford Insurance

Stamford Insurance is a Registered Financial Adviser and a leading provider of Insurance to the building industry. Since 2014 we have specialised in Building Warranty Insurance, also known as Latent Defects Insurance. Our policies offer New Zealanders the widest protection available against defects in design, materials or workmanship which arise within 10 years of completion, backed by the security of one of the World's leading insurers. Stamford is owned and managed by insurance professionals with many years' experience, and we are committed to delivering outstanding cover and service.

Our insurer is Pacific International Insurance Pty Ltd ("Pacific International").

## About Pacific International Insurance

Stamford issues policies on behalf of Pacific International Insurance Pty Ltd ("Pacific International"), an insurer licensed with the Reserve Bank of New Zealand.

Pacific International has been helping New Zealanders protect what is important to them for over 20 years and has a financial strength rating of 'B++ Good' from the rating agency AM Best.

All our Building Warranty Policies are also reinsured with one of the World's top 5 reinsurers, a specialist in Latent Defects Insurance, which has a financial strength rating of "A+ Superior" from AM Best.

The AM Best Company financial strength rating scale is:

<b>A++, A+ (Superior)</b>	<b>A, A- (Excellent)</b>
<b>B++, B+ (Good)</b>	<b>B, B- (Fair)</b>
<b>C++, C+ (Marginal)</b>	<b>C, C- (Weak)</b>
<b>D (Poor)</b>	<b>E (Under Regulatory Supervision)</b>

Under Australian law, if Pacific is wound up, its assets in Australia must be applied to its Australian liabilities before they can be applied to overseas liabilities. To this extent, New Zealand policyholders may not be able to rely on Pacific's Australian assets to satisfy New Zealand liabilities.

**Builder or Developer**

Our warranty is a policy of Insurance, and so you have a duty to disclose every matter you know, or could reasonably be expected to know, that a prudent insurer would want to take into account in deciding whether to provide the Insurance or not, and if so, on what terms.

Your duty does not require disclosure of a matter:

- that diminishes the risk to be insured;
- that is of common knowledge;
- that we know of or in the ordinary course of our business we ought to know;
- that we state to you that we do not want to know.
